**Statement by Randolph Glucksman, MNRCC, Regarding Trains that are  
Consistently Canceled  
At the MNR Committee Meeting, Board Room,  
MTA Headquarters,  
2 Broadway, New York**

**June 19, 2017**

I want to express my disappointment that once again NJ Transit canceled Train #1620, the 8:08 AM Pascack Valley Line train from Spring Valley. NJ Transit informed customers that they should take Train #1618, the 7:59 AM train from Spring Valley, the second Metro-North morning express. That train would make all local stops thereby delaying customers by 20-30 minutes. This means that Metro-North will pay a lot more money to operate this train. I have previously brought this issue to this Committee's attention as well as to the NJ Transit Board of Directors that canceling the Metro-North Express is not acceptable.
